

IRI Employees Celebrate Christmas

MABEN- Employees of Integrated Resources Inc converged upon the Tamarack in Beckley on December 14th to celebrate the Christmas holiday season. Approximately 150 employees and guests attended from the local area. They enjoyed a delicious meal prepared by the renowned Tamarack Conference Center.

The evening was highlighted by an awards ceremony in which some of the many dedicated employees and workshop participants were honored for their outstanding service. Among the awards given was the custodial crew at the Robert C Byrd Federal Building which had received an award earlier this year from NISH (National Institute for the Severely Handicapped) for outstanding service. Also receiving awards were the participants of the House of Wonder, Beulah Reed from the custodial services division and Earl D. Smith the Executive Director. Under the leadership of Mr. Smith IRI has expanded services statewide and provides employment to over 250 individuals.
