

Southern West Virginia's Best Kept Secret

Integrated Resources Inc. located in Maben WV is a state chartered non-profit organization that has been in existence for over forty years. Originally chartered as the Wyoming County Workshop in 1966, Integrated Resources, Inc. has continually provided services to individuals with mental and physical disabilities and provided them with appropriate vocational training.

Quietly earning a highly respected reputation in several industries, here is a taste of what IRI has to offer:

“We Don't Just Clean...We Make it Shine” Integrated Resources, Inc. operates several service divisions including the Custodial Services Division which was recently awarded a certificate for “outstanding custodial services” from NISH (National Institute for the Severely Handicapped). The award was earned for services currently being provided at several Federal and State facilities including the Robert C. Byrd Federal Building in Beckley. IRI provides general cleaning, grounds maintenance, custodial services and lawn care to commercial and residential customers. For great rates and service call Cameron Morgan at 1-800-640-9972.

“If You Can Dream it We Can Build It”...The IRI Custom Cabinets and Woodworking Division specializes in made to order custom cabinets for your kitchen, bedroom, bath or office as well as solid surface counter tops installation. Using the finest furniture grade woods, IRI's woodworking professionals can also make furniture and fixtures for your home, office and commercial uses. IRI has been quietly supplying many homes and businesses in the area for many years and shipping many goods out of state. Call Tommy Keaton at 1-800-640-9972 for quotes.

The “House of Wonder” has provided employment for the mentally and physically challenged for Wyoming County while producing quality hand crafted home furnishings. From custom made picture frames to jewelry boxes and hand woven baskets to furniture restoration call Dave Lane at 1-800-640-9972 for help with your woodworking needs.

“Long Term Care...You Decide Where” The IRI In Home Health Services provides homemaker and personal care services to the elderly and disabled under the Aged and Disabled Medicaid Waiver Program and prevocational training under the MRDD Medicaid Waiver Program. IRI's in home services allows individuals who have difficulty with common daily tasks such as cooking, cleaning, transportation, bathing or dressing themselves to live at home instead of an institutional or nursing facility. IRI provides regularly scheduled visits by RNs and 24 hour 7 day a week flexible scheduling for our clients as well as case management. Call any of our helpful Medicaid Waiver specialists for more information at 1-800-640-9972. For MRDD Medicaid Waiver information call Lisa Goins at 304-294-5610.

“Good Help is Ours to Find”...Temporary staffing and employee leasing programs are offered by Integrated Resources in which experienced individuals for any positions ranging from general labor to skilled professionals are being provided for government agencies as well as private businesses. Employee leasing has become more popular for many companies, especially smaller companies who do not have the time or resources to maintain and process employee files and payroll taxes. Leasing could also be great way to secure a better workers compensation rate or more affordable health insurance premiums.

IRI does a thorough background check on all employees and provides all tasks associated with employee file maintenance, payroll processing and W-2 distribution. Call Belinda Lester at 1-800-640-9972 for all of your staffing needs or contact us for employment opportunities.

With a work force of over 400 individuals, IRI provides products and services throughout West Virginia and other states. IRI truly is one of West Virginia’s best kept secrets.
